TIP: Dial *888# and follow the prompts or download MyBluesky app to keep on top of your usage.

Postpaid additional calls 20c per min, additional texts 20c per text, additional data 20c per MB. Anytime minutes include local and national calls but exclude international calls. Postpaid plan payments are monthly based. International calling rates from mobiles are calculated by adding the applicable International calling rate per minute to the mobile per minute rate. Prices include VAT and are subject to change without notice. Bluesky Credit Criteria applies to postpaid plans. MyBluesky App is FREE to download. Activities on the app require a data connection and may use customer credit balance. Visit www.bluesky.co.ck for T&C's.

For Prepaid Mobile Users

There are no monthly access fees and SIM cards are only \$25 with \$20 credit preloaded!
